Dear G&B Decorating

Would just like to say what a cracking job you and the lads have done at our home! Another job done to a very high standards from yourselves. Absolutely over the moon with the way the decorating has turned out! So pleased that we went with you to complete all of our work, couldn't fault you or your company! Family have been around and said how lovely the place looks! If anyone is in need of painting etc. needing doing ill defiantly give them your number along with a good referral. Will also carry on using you through the business as well.

Thanks again, couldn't be happier with the final finish.

The Scott Family.

## Hill View School

Dear Phil,

I would like to take the opportunity to thank you for the outstanding work you carried out for us on our contract at Hill View School, it was an awkward job and the school was riddled with old cable holes in walls, blast marks form new cable holes etc. not only do you manage to make our holes virtually invisible you took the time to fill in some of the existing mess to make the whole job look neater.

You were on time, polite, courteous and stick to your budget, we could ask for more. Retroflo or myself will have no problems in using your services again and in referring you to other people we know. If you ever need a reference please do not hesitate to ask.

Thanks from all at Retroflo.

Yours sincerely,

Andy Laundon.

G&B Decorators and Property Maintenance

Phil and team from G&B Decorators recently redecorated our living and dining room and finished it on budget, on time and to a high standard.

They arrived as planned, stripped off the old wallpaper, painted the woodwork and ceiling returning the next day to paper the walls.

The work and professionalism throughout was exemplary and I would have no hesitation in recommending them to friends and colleagues

Thanks for a great job

G&B Decorators and Property Maintenance

Once again Phil has carried out a great job and proved that no job is too small

On this occasion we had a piece of cement that had come loose from a ridge tile which was hanging precariously over the gutter and in danger of falling onto the car.

To ensure the problem was resolved quickly Phil came out before heading down to the cup final in Wembley and also went on to clean the whole gutter out at no extra cost

Once again thanks for a great job

Regards

Adrian Currie
